Dear Westside Park Elementary Students and Families:

It is my pleasure to welcome you to Westside Park Elementary for the 2020-2021 school year. We hope you are staying safe and healthy. Our District will begin this new school year in Distance Learning out of the concern for safety and well-being of the entire school community. The first day of school will be on Monday, August 10, 2020. We are so thrilled that you are part of our amazing learning community. We welcome and value your positive energy and dedication to our staff and community. We look forward to working with you and your children. Below you will find important information regarding the start of this school year.

1. Enrollment of new students and data confirmation of current students will be entirely online through the Aeries Online Registration and Parent Portal. Data confirmation must be completed for all students returning to the District because it replaces the paper packets we ask parents to fill out at the start of every school year. Visit <https://www.aesd.net/Administration2/centralenrollment> for more information and to get started. If you have questions or need technical assistance, please call **(760)246-8691** Monday through Friday from 8:00 a.m. to 4 p.m. You may also schedule an appointment if you need assistance.
2. If you do not have a current email on file, please submit your email by visiting <https://www.aesd.net/Administration2/centralenrollment>. Once the email is received and your student's record is updated, you will receive an email from the District's Webmaster with your log-in information for the AERIES Parent Portal. The Parent Portal is where you can keep track of student attendance and academic progress. You will need this account to complete your student(s) data confirmation, as well as to make changes to your student's demographic information throughout the year (ex: parent email address or home phone number).
3. **Chromebook and Textbook Distribution:** Pick-up your student's schedule, textbook, and Chromebook. The technology department sent a technology survey out to all families to determine your technology needs. You will also be able to request a hotspot device by going to your school site's website. The priority will be first given to foster youth, homeless, and low-income families. To maximize safety for all, this event will be done as a drive-thru manner.
 - 5th-4th Grade Textbook/Chromebook Pick-up will be Friday, **July 31, 2020** at Westside Park Elementary
 - Last Name **A-L from 9am-11pm**
 - Last Name **M-Z from 12pm-2pm**
