

# How to: Connecting to Clever

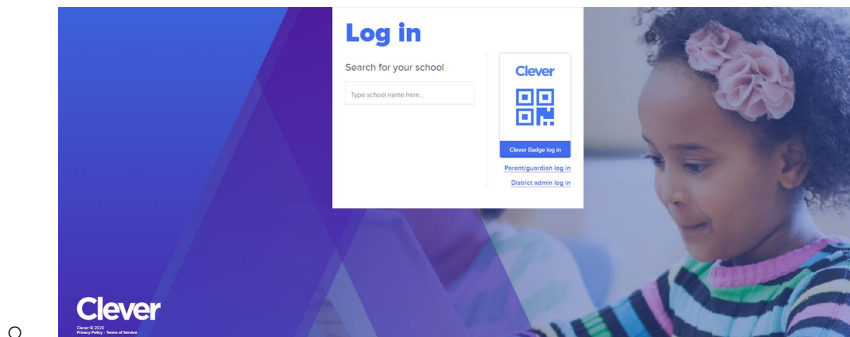

- Open your **Google Chrome Browser**

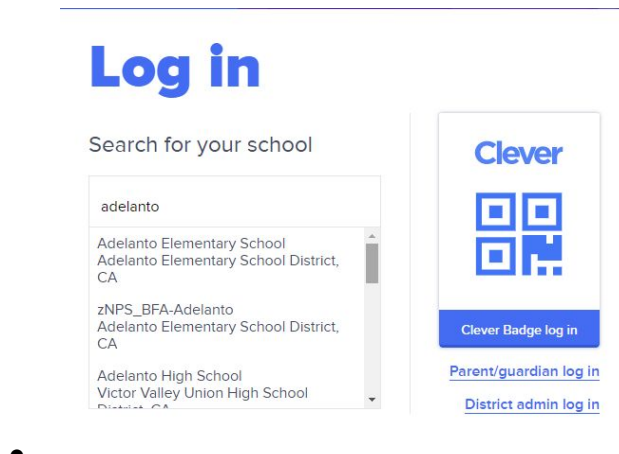

- Once you're on the "homepage" locate the "**Clever**" symbol

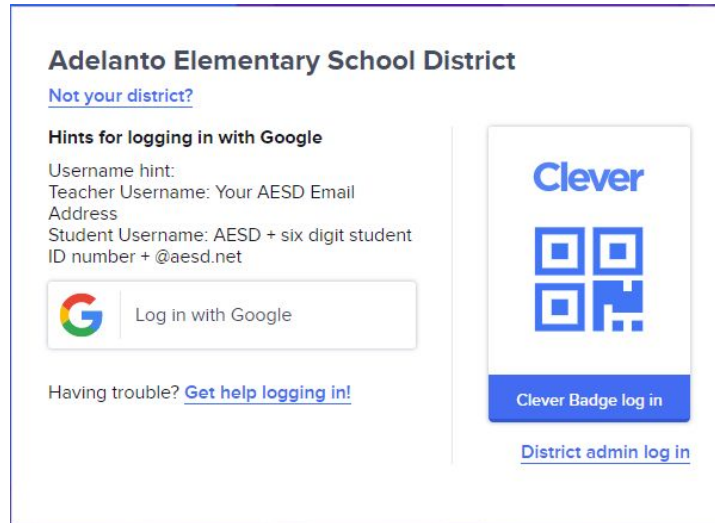

- **Left-Click** on the "**Clever**" symbol and you will be taken to the access portal

- If the page doesn't already display the **AESD** information. Type in the District's name and it will appear in Clever's menu

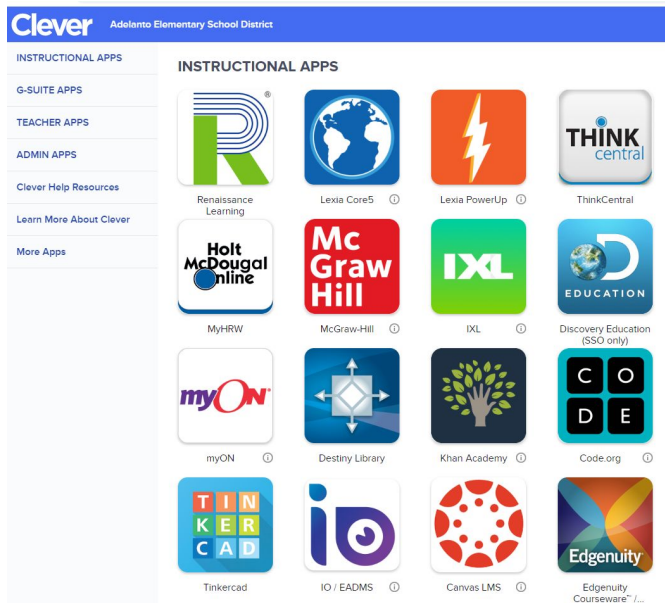

- **Left-Click** on the Adelanto Elementary School District and you will be prompted with a new option along with instructions

- If the student has a “**Clever Badge**” they can use that to sign in utilizing the Chromebooks built in webcam. If not they have to manually enter their credentials as instructed on the clever page.

- After logging into Clever you’ll be on a screen that looks like this

- **\*NOTE\*** Not all options are available for all users **\*NOTE\***

- Just select your “**App**” and you can begin working.
