July 27, 2020

Dear Students and Families:

I hope that this letter finds you and your family healthy and well.

Adelanto Elementary School District will begin the year in Distance Learning on August 10, 2020 out of concern for safety and well-being of the entire school community. This decision comes as the number of COVID-19 cases throughout the county of San Bernardino, and across California and the rest of the country continues to climb at alarming rates. Thus the Board of Trustees has approved a full distance learning model as the safest option for Adelanto Elementary School District students, parents, and staff.

As we gear up for the first day of school on Monday, August 10, 2020, I want to inform you on a few important topics.

Here is important information to help you prepare for a successful 2020-2021 school year:

Enrollment and Data Confirmation:

Enrollment of new students and data confirmation of current students will be entirely online through the Aeries Online Registration and Parent Portal. Data confirmation must be completed for all students returning to the District because it replaces the paper packets we ask parents to fill out at the start of every school year. Visit <https://www.aesd.net/Administration2/centralenrollment> for more information and to get started. If you have questions or need technical assistance, please call **(760)246-8691** Monday through Friday from 8:00 a.m. to 4 p.m. You may also schedule an appointment if you need assistance.

- If you do not have a current email on file, please submit your email by visiting <https://www.aesd.net/Administration2/centralenrollment>. Once the email is received and your student's record is updated, you will receive an email from the District's Webmaster with your log-in information for the AERIES Parent Portal. The Parent Portal is where you can keep track of student attendance and academic progress. You will need this account to complete your student(s) data confirmation, as well as to make changes to your student's demographic information throughout the year (ex: parent email address or home phone number).

Chromebook and Textbook Distribution:

Pick-up your student's schedule, textbook, and Chromebook **starting July 31st**. The IT Department sent a technology survey out to all families to determine your technology needs. You will also be able to request a hotspot device by going to your school site's website. The priority will be first given to foster youth, homeless, and low-income families. To maximize safety for all, this event will be done as a drive-thru manner.

Date	Last Names A-L: From 9-11am	Last Names M-Z: From 12-2pm
Friday, July 31, 2020	Grades 4 th and 5 th	Grades 4 th and 5 th
Monday, August 3, 2020	Grades 2 nd and 3 rd	Grades 2 nd and 3 rd
Tuesday, August 4, 2020	Grades TK, K, and 1 st	Grades TK, K and 1 st

Make-up day for Eagle Ranch will be on **Friday, August 7 from 7:30am-4pm**. If you need a later time, please contact the school site at 760-949-2558 to make an appointment.

Parent Training and Support

The district will be offering training on how to support your child with distance learning which will include the programs that the teachers will use during distance learning. We will post all training dates and links to register on Peachjar*, district website and through an all-call message to all parents. The first two trainings that will be offered by the district are listed below:

- Google Classroom for Parents: Tuesday, July 28, 2020 from 4:00-5:00 p.m.
- AERIES Portal for Parents: Wednesday, July 29, 2020 from 4:00-5:00 p.m.

More information about both of these trainings will be forthcoming. If you have questions about parent training, please check the district's website or you may contact Sandra or Ivonne in Academic Services.

Breakfast and Lunch Meal Service:

Nutrition Services will continue providing meals through a "No Touch, Grab and Go Service," every **Monday** at the following sites:

- Adelanto Elementary School, Bradach Elementary School, Eagle Ranch Elementary School, El Mirage School, George Visual and Performing Arts School, Melva Davis Middle School, Ted Vick Elementary School, Victoria Magathan Elementary School, Westside Park Elementary School

Breakfast and lunch will be provided for the full week for students enrolled in the Adelanto Elementary School District only; student ID will be required. Market style food will be served in bulk. We will be posting recipes and ideas at <https://www.aesd.net/administration/childnutritionservices>.

Parents with students enrolled at multiple sites will be able to pick up the meals for all of your children at one site provided you have the Student ID Number for each child. Students should be present for meal pickup when possible. *Students attending Adelanto High School will need to pick up their meals from the High School because they are being served by a different meal program.* Child Nutrition Services will also do all-call messages to inform you of any changes.

Although our school and office remain closed to the public, we will be monitoring our voicemail to address your questions. The district will continue to collaborate with stakeholders to ensure the safety, academic, and social emotional needs of students are addressed. We are doing our very best to offer a quality distance learning program that meets the needs of all students.

We wish our students and teachers a productive and safe 2020-2021 school year. Thank you for entrusting us with the education of your children. Please continue to refer to District and site websites for more information.

Sincerely,

Bertrand Christophe
Eagle Ranch School Principal

*Peachjar: This is a program that the district uses to email important information including flyers, letters and other documents to parents/guardians.
